PRODUCTION OF JUNGARIAN LIGHT INDUSTRY

TO MAKE HOUSEHOLD APPLIANCES / Budapest, Magyar Nemzet, 22 Jul 52

The Elekthermex Valle at (Elekthermex Enterprise) recently established in Papa has begun to manufacture household appliances including toasters and washing machines. In addition, the plant will make a variety of industrial electric harder of indu

100 WASHING JHINES TO BE DISTRIBUTED -- Budapest, Szabad Nep, 4 Sep 52

Ber Lezeschet Gyarto Vallalat (Washing Machine Equipment Manufacturing Enterse) will begin making washing machines for Hungary.

Approximately 100 machines will be distributed to producers, cooperatives, and farming communities this year.

TO LABEL MERCHANDISE -- Budapest, Esti Budapest, 14 Aug 52

After the second quarter of 1952, all local industry enterprises operating in Budapest will mark their products with labels approved by the Fourth Industrial Division of the City Council.

The labels will serve to identify the manufacturer in case of complaints, and serve as a guarantee of quality since only inspection and approved goods may bear the label of the council.

PRODUCE COTTONSEED OIL -- Budapest, Esti Budapest, 14 Aug 52

Because of the size of last year's cotton crop, it has become advantageous to process the cottonseed. Consequently, the Norma Olaj es Szappan Ipari Vallalat (Norma Oil and Soap Industry Enterprise) is now manufacturing high-grade cotton-seed oil, thereby increasing the national output of vegetable oils by 5 percent.
